 - m) which occurs after the first premium due date following **your 75th birthday**.
2. We will not pay any benefit for **your death** if it is caused by **your suicide**.

Section 7 - Benefit limitations

1. If death results from a **bodily injury** and this occurs within 13 weeks of the date of an **accident**, we will pay the accidental death benefit only.
2. Under the **table of benefits**:
 - a) We will pay only one of items 1-5, 6a) or 7a) to an **insured person** in respect of any one **accident** and the cover under this policy will stop in respect of that **insured person** from the date of payment of such item by us.
 - b) We will pay more than one of the items 6b), 7b), and 8 to 13 inclusive for any one **accident** where the relevant injuries are sustained, but this is subject to a maximum payment in all of £20,000 in respect of one **accident**. If we pay this maximum payment, cover under this policy will stop in respect of that **insured person** from the date of payment of such item by us.
 - c) For items 17 and 18 if your period of **hospitalisation** or **convalescence** is less than one week, we will pay one-seventh of the weekly benefit shown in the **table of benefits** for each **overnight** stay of **convalescence** or **hospitalisation**.
 - d) We will not pay the benefits for items 10 or 12a) – 12j) as well as item 6a) and 6b).
 - e) We will not pay item 5 for **insured persons** under the age of 16 or aged 65 or over.
 - f) We will only pay 50% of items 15a) and 15b) for an **insured person** aged 65 or over.
 - g) We will only pay 50% of item 15a) for an **insured person** under the age of 18.
 - h) We will only pay 50% of any item if you have suffered the **bodily injury** whilst riding on a **motorcycle**.
 - i) If a claim is admitted under item 15 in the **table of benefits** involving the **fracture** of a bone and osteoporosis or a **pathological fracture** is either:
 - first diagnosed at the date of the **fracture**; or
 - had been diagnosed between the **cover start date** and the date of **fracture**.

No further claims under this item will be admitted in respect of the **insured person** concerned.

Section 8 - Existing medical conditions

We will only pay for the **bodily injury** you suffered if it is directly as a result of the **accident**. Any existing physical impairment or medical condition you have before the **accident** will be taken into consideration in calculating the amount payable on the basis of the difference between **your** physical impairment or medical condition before and after the **accident**.

We will ask **your doctor** (if suitably qualified) or the **medical consultant** that treated you to make these assessments (or an

independent **medical consultant** or other suitably qualified person if they are unable or unwilling to do so). The assessment will be converted into a percentage and applied to the policy benefit payable.

Example of an existing medical condition:

You were partially blind in **your** left eye and then had an **accident** which left you totally blind in both eyes and you make a claim under item 7a) for **loss of sight** in both eyes. We will ask an independent ophthalmic specialist to assess the difference between the amount of vision you had before and after the **accident** and if the partial blindness contributed to the cause of the **accident**.

If the independent ophthalmic specialist assesses the pre-**accident** vision in **your** left eye at 50%, we will pay 50% of the benefit payable but under item 7b) for the **loss of sight** in one eye. If the vision in **your** right eye was normal before the **accident**, we would pay 100% of the benefit payable also under item 7b) for **loss of sight** in one eye for the **loss of sight** in that eye.

Section 9 - Non-specified injuries

If you have an **accident**, suffer **bodily injury** and the resulting disability is not specifically mentioned in the **table of benefits section B** or is not a 100% loss of an item in the **table of benefits** under **section B** items 5 to 12, but nevertheless results in a permanent, total and irrecoverable disability, dependent on the injury sustained, you may still be eligible to receive a payment from us.

In order to assess the **bodily injury** sustained, we will ask the treating **medical consultant** or **medical specialist** that treated **your** injury to review the impairment and disability and provide us with their assessment. If they are unable or unwilling to do this in a timely manner or if they are unable to provide us with justifiable evidence to support their assessment, we will appoint an independent **medical specialist** to make this assessment. This may require them to examine you and/or review your medical records and other medical reports and/or refer to medical assessment guides so that an assessment can be made. We may also ask an independent **medical specialist** to examine you and or review your medical records and other medical reports to obtain a second opinion. We may also ask your treating **medical consultant** or **medical specialist** to review and comment on the assessment made by the independent **medical specialist** we appoint to reach a joint agreement. Once we are in receipt of the assessment(s) we will then calculate the disablement as follows:

- a) If you suffer **bodily injury** to a part of the body that is listed in the **table of benefits section B**, items 5-12, we will calculate a percentage disablement to the nearest **permanent disability** item shown in the **table of benefits** to arrive at a claim payment amount.
- b) If you suffer **bodily injury** to a part of the body that is not listed in the **table of benefits section B**, items 5-12, we will then calculate a percentage disablement of the body as a whole and apply this to the amount shown for item 13 to arrive at a claim payment amount.

Example: You sustain a head injury as a result of an assault during an attempted theft from you. This injury results in the permanent, total and irrecoverable loss of smell and taste. There is no benefit for loss of smell and taste listed in the **table of benefits** under **section B**. Your **bodily injury** is assessed by reference to medical reports and a medical assessment guide. From the review the

loss of smell and taste is established as 5% whole person impairment. You would then receive a maximum payment of £500 which is calculated as 5% of £10,000 for item 13 shown in the **table of benefits** under **section B**.

Section 10 - Start and finish of cover for an insured person

Cover for an **insured person** will begin on the **cover start date** or the date they are added to this insurance, whichever is the later. Cover for an **insured person** is subject to the **provider** receiving the premium for that **insured person**. Cover will end on the earliest of the following dates:

- a) the end of the period for which premium was paid to us;
- b) the cancellation of this policy by the **group policyholder** or us (please see 'Section 12 - Cancellation period' for further details);
- c) in respect of an **insured person**:
 - i) that **insured person** notifying the **group policyholder** that they no longer wish to be included;
 - ii) the expiry of the premium payment month during which that **insured person** reaches 75 years of age;
 - iii) that **insured person** dying (although the policy will extend to such death if it is within the scope of this insurance);
 - iv) the day the **insured person** who is an **employee** leaves the employment of the **group policyholder**.Cover will also end for any **partner** upon this date.

Section 11 - General policy conditions

1. Assignment

This policy may not be assigned or transferred unless agreed by us in writing.

2. Claim notification

All claims must be notified as soon as is reasonably practicable after the event which causes the claim. Failure to do so may result in our rejection of the claim if it is made so long after the event that we are unable to investigate it fully, or may result in you not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.

3. Complying with the policy

To have the full protection of this policy an **insured person** must comply with the conditions outlined in 'Section 16 - Claim procedure', which are conditions of the policy. Failure to comply with these conditions may determine whether we deny any claim made under this policy or the amount we pay to an **insured person** in the event of a claim.

4. Disclosure of information

The **group policyholder** and you must take reasonable care to make sure that all facts and information that they provide us with when they take out, renew, or request changes to the cover provided by the policy, are accurate and complete. If the **group policyholder** or you fail to exercise reasonable care, we will treat the policy as if it had not existed from the effective date, renewal date or date when any changes were made to the policy (as the case may be) if they:

- a) deliberately or recklessly gave us inaccurate or incomplete information; or
- b) did not take reasonable care to give us accurate and complete information in circumstances where we would

not have covered you at all, had we known about such information. We will return the premium provided that you or the **group policyholder** did not deliberately or recklessly provide us with inaccurate or incomplete information.

In all other cases, we may refuse to pay all or part of a claim, depending on what we would have done if you or the **group policyholder** had taken reasonable care to provide us with accurate and complete information. If we would have insured you or the **group policyholder** on different terms (other than in relation to premium), then the policy will be treated as if it had contained such terms. In such circumstances, we will only pay a claim if the claim would have been covered by a policy containing such terms. If we would have provided you or the **group policyholder** with cover for a higher premium, the amount payable on any claim will be reduced proportionally, based on the ratio that the premium actually charged bears to that which we would have charged. For example, we will only pay half of the claim, if we would have charged double the premium.

If this policy covers more than one **insured person** and an **insured person** fails to comply with this condition, we may rely on our rights under this condition as against that **insured person**, as if a separate policy had been issued to them, leaving the remainder of the policy and the rights of other **insured persons** unaffected.

If the **group policyholder** or you change address during the period of this policy you or the **group policyholder** must notify us by contacting: Sovereign Health Care on +44 (0) 1274 841130. Lines are open between Monday to Thursday 9am to 5pm and Friday 9am to 4pm (excluding public holidays), or by email to: help@sovereignhealthcare.co.uk.

5. Interest on amounts payable

We will not pay interest on any amount paid under this policy.

6. Law and jurisdiction

This policy will be governed by English law, and the **group policyholder**, the **insured persons** and we agree to submit to the courts of England and Wales to determine any dispute arising under or in connection with it, unless the relevant **insured person** resides in Scotland, Northern Ireland, the Isle of Man or the Channel Islands, in which case the law applicable to that jurisdiction will apply and its courts will have exclusive jurisdiction, unless agreed to the contrary by the **group policyholder** and us.

The terms and conditions of this policy will only be available in English and all communication relating to this policy will be in English.

7. No direct financial benefit

The **group policyholder** will not derive any direct financial benefit from or in relation to this policy.

8. Policy and premium alteration

We will notify the **group policyholder** of any changes to the terms and conditions, including the premium of the policy by giving the **group policyholder** 30 days' notice in writing to the **group policyholder's** last known address. We will only make a change in order to reflect a change to the **insured person's** circumstances, in the event of any change in the law affecting this policy, for example a change in Insurance Premium Tax or other tax, or to reflect a change to our underwriting approach.

If the changes are acceptable to the **group policyholder** then this cover will continue. The **group policyholder** is responsible for notifying **insured persons** of the changes applicable.

If the changes are not acceptable, the **group policyholder** may cancel this policy in accordance with 'Section 12 - Cancellation period'. If the **group policyholder** cancels, claims made from the next premium due date following the date we receive notice of the cancellation will not be payable except where the event giving rise to the claim arose prior to such premium due date. We will return to the **group policyholder** any premium already paid to us in advance for cover that is unused at the date of cancellation. The **group policyholder** will be responsible for returning any premium to an **insured person** included in this insurance who has paid the premium.

The **group policyholder** is responsible for promptly notifying **insured persons** of such cancellation or any changes to the terms and conditions.

9. Premium payment

The premiums are to be paid monthly in arrears at an agreed date and the information requested from the **group policyholder** detailing covered **insured persons** will be supplied to the **provider** in the form and at the frequency reasonably required by us for the cover to remain in force. Each monthly premium paid purchases cover under the terms of this policy for the calendar month prior to the month in which it is paid. This is not refundable. If the premium remains unpaid for a period of 13 consecutive weeks, the policy will automatically be cancelled.

10. Rights of third parties

Only the **group policyholder**, an **insured person** (or their executor or personal representative in the event of the death of an **insured person**) and we may enforce the terms of this policy and the provisions of the Contract (Rights of Third Parties) Act 1999 do not apply.

11. Sanctions

We shall not be deemed to provide cover and we shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose us, our parent company or our ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United Kingdom, the European Union or the United States of America.

Section 12 - Cancellation

Cancellation

The policy may be cancelled by:

- us sending the **group policyholder** 30 days' notice in writing to the **group policyholder's** registered address; or
- the **group policyholder** sending the **provider** 30 days' notice in writing to the following address:

2nd Floor, West Wing, The Waterfront, Salts Mill Road, Shipley, Bradford BD17 7EZ.

The policy will end at the end of the month for which the monthly premium has been paid. If the premium is paid in advance, the period up to the date when the cancellation takes effect will be calculated and any unused portion of the premium which has been paid in advance will be returned to the **group policyholder**.

The **group policyholder** is responsible for passing on any return premium to an **insured person** if they have paid the premium or the premium has been collected from them. We will not return any premium due to an **insured person** who has made a claim unless the claim is made during the cancellation period and they have paid the premium.

An **insured person** may cancel their inclusion in this policy at any time by contacting the **group policyholder**. An **insured person** has no right to cancel the policy held by the **group policyholder**, only the right not to be included. It is the responsibility of the **group policyholder** to notify the **insured persons** that their inclusion in the policy has been cancelled.

If the premium remains unpaid by the **group policyholder** for 13 consecutive weeks, the cover will automatically be cancelled and we will not pay any claim if the date of the **accident** resulting in **bodily injury** occurred during the period that the premium was unpaid and the cover has been cancelled.

Cancellation period

If the premium is paid by the **insured person** and this insurance does not meet an **insured person's** needs, they can choose not to be covered by this policy by notifying the **group policyholder** and returning the documentation provided to them within 15 days of the **cover start date** as shown on their **schedule**, or the date the **insured person** was included in this insurance, or the date upon which an **insured person** receives their insurance documents, whichever is the later.

If within this cancellation period an **insured person** sustains a **bodily injury** which results in a covered claim under this policy, we will only refund the part of the premium in proportion to the period of unused cover. This will be returned to the **group policyholder** for them to pass on to the **insured person** if the cost of their inclusion in this insurance has been collected from the **insured person**.

Section 13 - Fraudulent or exaggerated claims

By the **group policyholder**

If the **group policyholder** makes any fraudulent or exaggerated claim, we will refuse to pay the claim and the **group policyholder** must pay back any benefits they have already received in respect of such claim. We may also terminate this policy from the date of the fraud or exaggeration. If we terminate the policy, we will not refund any premiums.

By the **insured person**

If an **insured person** makes a fraudulent or exaggerated claim, we will only refuse to pay that **insured person's** claim and we may only terminate the cover for that **insured person**, leaving the remainder of the policy and the rights of other **insured persons** unaffected. In such a case, we will not refund any premium in respect of that **insured person**.

Section 14 - Payment of benefit

The accidental death benefit will be paid to your legal representatives or executor and their receipt will discharge our liability under the policy. Any other benefit will be paid to the **insured person** who is the subject of the claim.
